Re: Letter of Recommendation for KMC Concrete Management

To Whom it May Concern,

It is my pleasure to offer this letter of recommendation for KMC Concrete. As a Project Manager for Pond Constructors, I have worked with hundreds of construction teams on a variety of complex and demanding projects. The professionalism, leadership, communication, and dependability of KMC has always been exceptional.

KMC worked with Pond to complete the Military Service Station at Moody AFB, Valdosta, GA (2015).

Pond Constructors is very pleased with the work of KMC. They are a trusted subcontractor that helped us get the project completed. Please do not hesitate to contact me if I can provide additional information regarding our satisfaction with KMC Concrete.

Sincerely,

John Malutich
