RE: KMC Concrete Management

**To Whom It May Concern:**

Please allow the following to serve as a recommendation and endorsement of Kendall Monroe and his firm KMC Concrete Management.

KMC has just completed the concrete scope of work for Hogan Construction Group at the Rome Riverfront Hotel in Rome, Georgia.

Kendall's firm proved to be outstanding for their persistence in completing the tough job. From early beginnings of the project, until completion of their scope of work, KMC proved to be a team player and a solid partner in the arduous process of construction; I recommend KMC for any future concrete ventures they may decide to undertake.

Please contact us should you require additional information.

Sincerely,

*Gus J. Suarez*
